Petition for Review

This Petition for Review is submitted on behalf of the Delaware Riverkeeper Network and Maya van Rossum, the Delaware Riverkeeper (collectively “Petitioners”). Petitioners hereby petition this Court for review of the following orders issued by the Federal Energy Regulatory Commission (“Commission”): (1) Transcontinental Gas Pipe Line (“Transco”), LLC, Order Issuing Certificate under Section 7(c) of the Natural Gas Act, Docket No. CP13-551-000, 149 FERC ¶ 61,258 (December 18, 2014); and (2) Transcontinental Gas Pipe Line Company, LLC Order Denying Rehearing, 154 FERC ¶ 61,166 (March 3, 2015). The Commission’s orders authorize Transcontinental Gas Pipe Line Company, LLC to

“construct and operate” the Leidy Southeast Expansion Project in Luzerne and Monroe Counties in Pennsylvania, among other counties, and also denies Petitioners’ request for a rehearing.

Petitioners and their members have been, and will be, adversely affected by the proposed Transco pipeline and appurtenant facilities because the pipeline, if constructed, operated, and maintained, would run through and adversely affect the Delaware River Basin watershed. This Court has jurisdiction and this petition is timely filed pursuant to Section 717r(b) of the Natural Gas Act. *See* 15 U.S.C. § 717r(b).

Respectfully submitted this 7th day of March, 2016.
